

CITY OF ELK GROVE REQUEST FOR PROPOSALS
FY 2010-2011 Community Development Block Grant and
Community Services Grant Funds

The City of Elk Grove is now accepting applications for Community Services Grants **AND** Community Development Block Grants (CDBG) for the 2010-2011 fiscal year. To better meet the needs of the community, and to streamline the City's grant application process, applicants are invited this year to apply for either or both of the grants using the same application. The City will consider all applications and grant funding requests and determine which proposed activities meet either grant's eligibility criteria.

If you are interested in submitting a proposal for consideration, you must complete the application form (available on the City's website at www.egplanning.org/misc/cdbg or by e-mailing Tyler Bridges at tbridges@elkgrovecity.org), and submit it with all the required documentation by **April 7, 2010 at 5:00pm**, according to instructions included in the application.

The City is also seeking applicant and stakeholder input for the City's 2010-2011 CDBG Action Plan. Eligible organizations include non-profits and local government entities. Successful applications will address the housing and community development needs presented in the City of Elk Grove's 2008-2013 Consolidated Plan. The 2010-2011 Action Plan will serve as the annual planning document that will specify the planned funding of housing and community development activities and implement the goals and objectives of the Consolidated Plan. The Action Plan will cover CDBG activities funded from July 1, 2010 through June 30, 2011.

In addition, the CDBG program staff invites you to attend a public meeting and application workshop:
