Subject: DRAFT ENVIRONM

Dear Mr. Angell:

In response to your request for comments regarding the above-cited project, I have enclosed comments from the following Public Works agencies:

- 1. Infrastructure Finance Section - Refer to the attached letter from Paul Philleo, Senior Civil Engineer, dated December 4, 2000.
2. Department of Water Resources (Stormwater Quality) - Marie Novinsky, Associate Civil Engineer, responded as follows:
'Mention is made that the most common stormwater quality BMPs utilized in the Sacramento area are dry-extended detention basins, wet ponds, and natural processes. The requirement to comply with the Sacramento Stormwater Management Program's 'Guidance Manual for On-Site Stormwater Quality Control Measures,' dated January 2000 should also be mentioned.'
3. Department of Water Resources (Drainage) - Refer to the attached Memo from George H. Booth, Associate Civil Engineer, dated October 30, 2000.
4. Department of Water Resources (Water Supply) - Refer to the attached letter from Tad Berkebile, Associate Civil Engineer, dated November 28, 2000.
5. Department of Transportation - Jeffrey E. Clark, Senior Civil Engineer, responded directly to your department under separate cover.

5. Letter from City of Elk Grove (County of Sacramento), Public Works Agency, Warren H. Harada, dated December 8, 2000

**Response 1**

Please see responses to letter from Paul Philleo, Letter No. 6, dated December 4, 2000, presented below.

**Response 2**

The requested revision to the Draft EIR has been made. Please refer to Final EIR Section 4.0, **Minor Edits to the Draft EIR**, for revised Draft EIR Section 4.7, Hydrology, Water Quality and Flood Control Standards.

**Response 3**

Please see responses to letter from George Booth, Letter No. 7, dated October 30, 2000, presented below.

**Response 4**

Please see responses to letter from Tad Berkebile, Letter No. 8, dated November 28, 2000, presented below.

**Response 5**

Per a conversation between Jeff Clark and the City, (Clark, 2000) it was indicated that Mr. Clark did not submit a letter on the traffic analysis contained within the Draft EIR.
