Dear Mr. Angell:

**Subject: Draft Environmental Impact Report for Lent Ranch
Marketplace**

County Sanitation District 1 (CSD-1) and Sacramento Regional County Sanitation District (SRCSD) staff has reviewed the NOP and has the following comments:

Please revise figure 3.0-8 on page 3.0-22 of the draft EIR. The project area only warrants a 15-inch sewer pipe. The lift station for this project should be shown at the ultimate connection point for gravity sewer. A copy of the Draft CSD-1 Sewerage Facilities Expansion Master Plan for Lent Ranch and vicinity is provided for your information.

All prior comments still apply.

If you have any questions regarding these comments, please call Patrick Schroeder at 875-6865 or myself at 875-6875.

Very truly yours,

Neal B. Allen
