

APPENDIX C

**PROPOSED FAMILY OF
SITE FURNISHINGS**

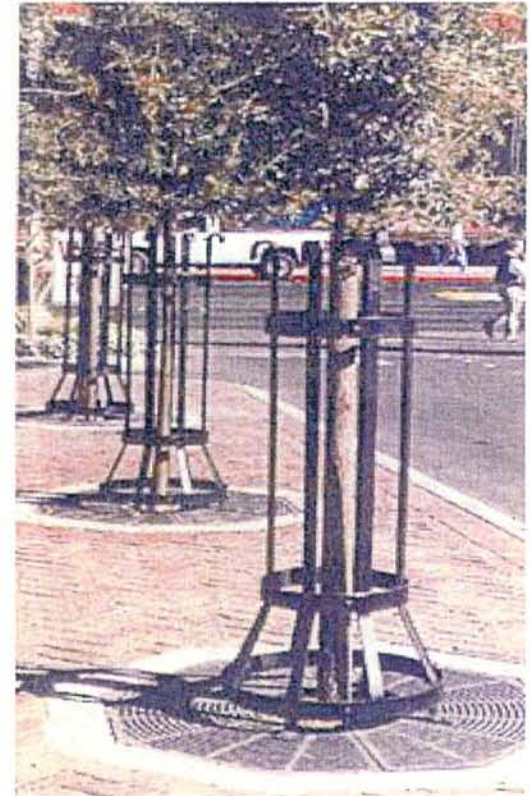

A family of site furnishings that has been cohesively selected, which will support the character of Main Street Elk Grove, is critical to streetscape beautification. The following are site furnishing examples supportive of the agricultural and railroad theme. The product photographs are intended to demonstrate the style, material and scale of the family of site furnishings that would be found in Historic Elk Grove.

Plaza bench found within Railroad Plaza.

Pedestrian scale light fixture and pole within Railroad Plaza.

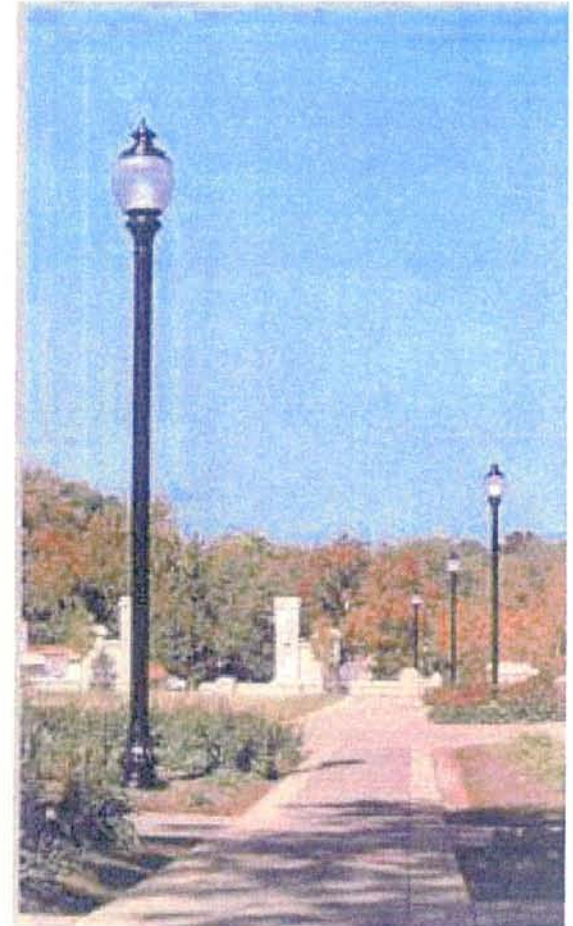

Tree grate and guards along Elk Grove Boulevard within Historic Old Town.

Trash receptacle within Historic Old Town.

Bench within Historic Old Town.

Pedestrian scale light fixture and pole within Historic Old Town. The same fixture with a larger pole would be found within Old Town West and East.
