

AGENDA

Rural Road Standards – Workshop #2

Pleasant Grove Elementary School

November 27th, 2006 6:30pm – 8:30pm

1. Welcome/Introductions
2. Meeting Objectives
 - Project update and follow up items
 - Present/discuss research findings on key issues
 - Discuss next steps
3. Project Update and Follow Up Items
 - Summary of Workshop #1 (October 17th)
 - General meeting rules of respect
 - Related Bigger Issues/Concerns
 - List of Issues for Rural Road Standards
4. Research Findings on Key Issues
5. Next Steps (Workshop #3 on Monday, January 8th at City Hall – Council Chambers)

Objective is to present design related solutions and to get individual input regarding preferred solutions (e.g., visual preference). The City will be hiring design experts on roadway design to help present materials, answer questions, and identify alternatives.
